

Start your career as a Medi-Cal Peer Support Specialist.

Get started with Futuro Health's FREE training!

A peer support professional is someone who works with individuals who are in recovery to foster connectedness and optimism.

The demand for Peer Support Specialists is growing, driven by California state legislation (SB-803 Beall) and the need for Medi-Cal service support recipients.

This specialized training equips our Scholars with the knowledge and skills to start their career as a Medi-Cal Peer Support Specialist.
