PROGRAM DETAILS

The program consists of both online and in-person coursework. Scholars earn a Certificate of Achievement at the end of the successful completion of their program. This program is 36 weeks (approximately 9 months) long with an externship completed at the end of the program traditionally consisting of 6 weeks.

CARRINGTON IMMUNIZATION DISCLOSURES

Futuro Health advises all scholars to complete these required immunizations prior to completing their Human Touch Healthcare course to ensure that they are ready for Carrington enrollment. For those who have not been immunized, **this process could take up to 6 months.**

- 2 x MMR (measles, mumps & rubella) or titer immunity in the last 3 months
- 2 x Varicella (chickenpox) or titer immunity in the last 3 months
- 3 x Hepatitis B or titer immunity in the last 3 months
- One Step PPD (TB) or blood titer showing non-infection – **This will likely not be required until nearing your externship start date (typically within 6 months). This is either a one or two step PPD Mantoux test, blood titer or chest Xray.**
- Carrington COVID -19 Vaccination Policy:
 - Attest to their COVID-19 vaccination status
 - Provide proof of vaccination
 - Submit to weekly testing, if unvaccinated, at the scholar's expense

Please Note: Immunization and/or background paperwork is not required at the beginning of the admissions process. These documents will be needed once you've confirmed your externship site, as each site may have different requirements.

EXTERNSHIP DISCLOSURES

This course requires an externship that is 180 hours long. It will take place at an externship site coordinated by the Carrington College Career Services Department, and the site will be based upon availability only. Please note that most externship sites are only available during working hours (Monday-Friday 8am-5pm). Scholars will be

responsible for coordinating with their employer and childcare if needed during this time. Externship sites may require a background check and/or drug testing prior to starting.

While not a formal requirement, students are encouraged to communicate any specific locations or geographic areas they are interested in for their externship. Sharing this information with the Career Services Advisor can be highly beneficial, as it allows the externship team to tailor placement efforts to align with individual preferences and optimize the externship experience.
