IMMUNIZATION REQUIREMENTS AND DISCLOSURES

We advise that all scholars complete these required immunizations prior to completing their Human Touch Healthcare course to ensure that they are ready for enrollment. For those who have not been immunized, **this process could take up to 6 months.**

- 2 x MMR (measles, mumps & rubella) or titer immunity in the last 3 months
- 2 x Varicella (chickenpox) or titer immunity in the last 3 months
- 2 x Hepatitis B or titer immunity in the last 3 months
- 2 x Covid 19 **Requirement varies by externship site** (Proof of injections-NOTE: there is a 3-week gap needed between the 1st and 2nd immunization) and booster.
 - Covid Booster- **Scholars may need to have additional boosters nearing the time of their externship.**
- One Step PPD (TB) or blood titer showing non-infection – **This will likely not be required until nearing your externship start date (typically within 6 months). This is either a one or two step PPD Mantoux test, blood titer or chest Xray.**

Please note that all scholars may be asked to show proof of immunizations required by the externship/clinical sites and some programs with onsite coursework prior to enrollment or externship.

EXTERNSHIP DISCLOSURES

As part of the volunteer/clinical externship process, you may be asked to obtain the following information as directed by a prospective Facility:

- Background Check / Clearances/Fingerprint Card
- Drug Panel Screening
- PPD (TB) Test Results
- Immunization Record
- Physician Statement of Health
- CPR/First Aid/BCLS Certification
- Updated Resume no less than 3 weeks following initial contact. Failure to provide such resume will result in students not being able to participate in the volunteer/externship opportunity.

All externship opportunities are subject to the availability, scheduling, and staffing needs of the Facility.

PROGRAM AND LAB SCHEDULES

Please carefully review the following regarding program length, attendance requirements, and labs:

- This program is a fully online 8-week program with an in-person required externship.
- All scholars will be required to attend a live session once per week.
 - Scholars will be sent a lab kit to do labs at home
 - Live session times are typically offered on Mondays/ Tuesdays/ or Wednesdays. This is subject to change based on availability and cohort size. One makeup session per week will be offered on Sundays (also subject to change).

ENROLLMENT DISCLOSURES

After your successful registration for the course through Futuro Health, CCI will require the following:

- Background check
- Proof of High School diploma/GED or equivalent
- Drug Testing

STUDENT OUT OF POCKET COSTS

Futuro Health covers the cost of tuition for your Pharmacy Technician program and **will also provide you with a laptop if required**, however, there will be some out-of-pocket costs required from the scholar for enrollment with Concorde.

- Cost of drug testing
- Cost of background check
- Cost of immunization verification testing (if needed)

BEST STUDENT POINT OF CONTACT

With questions regarding your enrollment or campus related questions, please contact CCI directly using the information listed below.

Program Contact: Tara Witherspoon taraw@condensedcurriculum.com

Externship Coordinator: JoBeth Davis jobethr@condensedcurriculum.com

Student Contact: Joya Lewis joyal@condensedcurriculum.com

Please note: Reaching out to these contacts prior to securing a start date is not advisable by Futuro Health. Scholars not yet enrolled will not be in the Provider's system, and therefore, the Provider will likely refer you back to your coach before assisting you.
