The PTS Southern California Catalog is located [here](#).

PROGRAM DETAILS

The program is in-person. This program ranges from 1-3-months long with the externship completed at the end of the program consisting of approximately 40 hours.

IMMUNIZATION DISCLOSURES

We advise that all scholars complete these required immunizations prior to completing their Human Touch Healthcare course to ensure that they are ready for enrollment. For those who have not been immunized, this process could take up to 6 months.

- 2 x MMR (measles, mumps & rubella) or titer immunity in the last 3 months
- 2 x Varicella (chickenpox) or titer immunity in the last 3 months
- 3 x Hepatitis B or titer immunity in the last 3 months
- 2 x Covid 19 (Proof of injections-NOTE: there is a 3-week gap needed between the 1st and 2nd immunization) and booster.
 - Covid Booster- Scholars may need to have additional boosters nearing the time of their externship.
- One Step PPD (TB) or blood titer showing non-infection – This will likely not be required until nearing your externship start date (typically within 6 months). This is either a one or two step PPD Mantoux test, blood titer or chest Xray.

Please note: All scholars may be asked to show proof of immunizations required by the clinical sites and some programs with onsite coursework prior to enrollment or externship.

EXTERNSHIP DISCLOSURES

Please note that externship is an integral part of program completion and scholars will need to adhere to the following PTS Externship requirements:

- Externship begins after the completion of in class training, and after the successful pass of the NHA Exam
- All externships are 40 hours, and must be completed in one full 40-hour week, Monday through Friday
- Evening, part-time and weekend externships will not be available
